PROCLAMATIONS.

L. H. DAVIES.

[L.S.]

CANADA.

GEORGE THE FIFTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, KING, Defender of the Faith, Emperor of India.

To all to whom these presents shall come, or whom the same may in anywise concern.—GREETING:

A PROCLAMATION.

E. L. NEWCOMBE, { **W**HEREAS it is
Deputy Minister of Justice, { shown by re-
Canada. { liable statistics that
the amount of the average annual loss of property by fire in Canada exceeds twenty million dollars, the loss for the year 1918 being in excess of thirty million dollars, and that there is in addition a large annual unappraised loss from forest fires which if unchecked threatens to greatly impair, if not to entirely destroy, our heritage of forest wealth;

And whereas there is also every year in Canada a deplorable loss of human life as a result of fire;

And whereas it is desirable for the well-being of the nation that a greater regard for the sanctity of human life be inculcated; that the material wealth of the nation be so far as possible conserved, and that every agency which tends to needlessly dissipate or destroy human life or property be vigorously opposed;

And whereas it is authoritatively estimated that at least seventy-five per cent. of the fires occurring are preventable by the exercise of proper care on the part of the individual citizens, and that therefore a corresponding proportion of the annual loss from fire can be avoided;

And whereas it is desirable, in order that the attention of the public may be directed to the extent of the preventable loss of life and property from fire and the best means of controlling it, that one day of the year be set apart and properly designated for the dissemination of such information and the giving of such instruction on fire loss and fire prevention as may be practicable,—

Now KNOW YE, that We, by and with the advice of Our Privy Council of Canada, have thought fit to appoint and do appoint Thursday, the ninth day of October in this present year, as "Fire Prevention Day," and We do recommend to all Our loving subjects that, on that day,—

1. All dwellings and their surroundings be carefully inspected by their occupants and all conditions likely to cause or promote the spread of fires removed.

2. All public buildings, stores, and factories be inspected and cleared of rubbish.

3. Fire drills be held for the children in all schools and for employees in all large stores and factories;

4. Special instructions on the subject of fire prevention be given by the teacher and by municipal officials in the schools and that such appropriate literature as may be made available be distributed to the pupils.

5. All legislation and regulations enacted or issued by Dominion, Provincial, or municipal authorities

dealing with fire prevention be given publicity by the municipal officials, and that by public meetings or otherwise as may to them seem most fit, they endeavour to impress upon the citizens the national importance of safeguarding life and property from loss of fire.

Of all which Our loving subjects and all others whom these presents may concern are hereby required to take notice, and govern themselves accordingly.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of Canada to be hereunto affixed.

WITNESS, Our Right Trusty and Well-Beloved Counsellor the Right Honourable Sir LOUIS HENRY DAVIES, Knight Commander of Our Most Distinguished Order of Saint Michael and Saint George, Chief Justice of Canada, and Deputy of Our Right Trusty and Right Entirely Beloved Cousin and Counsellor, Victor Christian William, Duke of Devonshire, Marquess of Hartington, Earl of Devonshire, Earl of Burlington, Baron Cavendish of Hardwicke, Baron Cavendish of Keighley, Knight of Our Most Noble Order of the Garter; One of Our Most Honourable Privy Council; Knight Grand Cross of Our Most Distinguished Order of Saint Michael and Saint George; Knight Grand Cross of Our Royal Victorian Order; Governor-General and Commander-in-Chief of Our Dominion of Canada.

At Our Government House, in Our City of Ottawa, this ninth day of September, in the year of our Lord one thousand nine hundred and nineteen, and in the tenth year of Our Reign.

"GENTLEMEN,—I have the honour to submit the following report on the proposed prairie drainage project:—

"Pursuant with the instructions received from your honourable body, I proceeded with an examination of the land coming under the petition presented to you by the various owners of this land. As a result of this survey I would recommend the following works as being necessary to accomplish the desired dyking and drainage:—

"(1.) The building of a dam along the section-line between Sections 21 and 28, Township 3, Range 29, west of the 6th meridian from the mountain to the Canadian Pacific Railway Company's right of way.

"(2.) The building of a concrete culvert with gate at a point about 300 feet west of the base of the mountain and in the present channel of the slough.

"(3.) The removal of the pumping plant now situated at about Mile 63.1 on the British Columbia Division of the Canadian Pacific Railway to the site of the new dam, the actual location to be determined by the engineer at the time of construction.

"(4.) The clearing and resurfacing of the old dam to conform with the new construction.
